The HKCC is a 501(c)(3) non-profit organization, 100% of the proceeds from this event will go toward the building of the Cultural Center. All donations are tax deductible.

Welcome to our 6th annual **Taste of Korea Fundraiser!** We hope you have enjoyed yourselves.

One hundred percent of the proceeds from this fundraising event will go towards building the Korean Cultural Center in Hawaii to showcase the rich Korean history and culture that permeates the islands, spanning from the first immigrants who came to Hawaii to work in the sugar plantations in 1903. Today, the interest in Korean culture and traditions has boomed through dramas, music, dance, and the arts. We hope to continue the momentum.

Indeed, the Korean Cultural Center will include, among other things, a museum, community meeting rooms, banquet halls, and an open park with a Korean theme to serve the interests of the local community while preserving the Korean tradition and legacy here in Hawaii.
